

OPERATIVE DAYS 2021

Finnish Neurosurgical Society with Finnish Society of Surgery

Cerebrospinal fluid circulation – disorders and treatment

Guest of Honor Professor Marianne Juhler

November 18 2021

Messukeskus Helsinki Convention Center Lecture Hall 215

- 09.00 Pathogenesis of CSF circulation disorders** Chair Ville Leinonen
- Welcome President Timo Koivisto
- 09.10 Congenital and early acquired hydrocephalus Marianne Juhler
- 09.50 Glymphatic circulation - relevance for neurosurgery Vesa Kiviniemi OYS
- 10.25 Hydrocephalus after SAH - when to shunt Joonas Tervonen KYS
- 10.40 Coffee and refreshments
- 11.00 Operative treatment of CSF disorders** Chair Jaakko Rinne
- 11.00 Diagnosis and management of obstructive HC Päivi Koroknay-Pál HUS
- 11.20 Endoscopic third ventriculostomy video Olli-Pekka Kämäräinen KYS
- 11.30 IVH and hydrocephalus – Rickham EVD or shunt? Jarno Satopää HUS
- 11.50 Normal pressure hydrocephalus process Henna-Kaisa Jyrkkänen KYS
- 12.10 Does shunt valve type matter? Niina Salokorpi OYS
- 12.30 Lunch and visiting exhibition**
- 13.30 Complicated CSF circulation disorders** Chair Mikael Fraunberg
- 13.30 Hydrocephalus following hindbrain hernia Atte Karppinen HUS
- 13.50 Idiopathic intracranial hypertension Terhi Huttunen KYS
- 14.10 External hydrocephalus/hygroma case Susanna Rantala TAYS
- 14.30 Case presentations Anna Östberg TYKS
- 14.50 National hydrocephalus registry Ville Leinonen KYS
- 15.00 Concluding remarks President Timo Koivisto
- 16.30 Finnish Neurosurgical Society Annual Meeting**
Hotel Crowne Plaza Helsinki Mannerheimintie 50
- 18.30 Snellman Lecture** Introduction President Timo Koivisto
Professor Marianne Juhler Rigshospitalet Denmark
- 19.30 Annual Society Dinner**
- Info** Olli-Pekka Kämäräinen olli-pekka.kamarainen@kuh.fi +358 44 717 2324
President Timo Koivisto timo.koivisto@kuh.fi +358 44 717 2319
